## Experience It! Iguazu Falls

Iguazu Falls is one of the most impressive international borders in the world. The falls take up nearly two miles of border between Argentina and Brazil and consist of 275 individual cascades. The most striking section is a 350-foot high U-shaped waterfall nicknamed “The Devil’s Throat.” It is so powerful, the spray it generates reaches high overhead and will often create rainbows. Iguazu National Park is a UNESCO World Heritage site. In addition to the remarkable falls, it is surrounded by a diverse jungle ecosystem. Due to the constant spray the falls create, the plant life is able to flourish. As a result, there are over 2,000 species of flora and fauna in the park. In addition, there are a multitude of butterflies and birds that thrive here including colorful parrots and toucans.

### Optional 4 Days 3-Night Easter Island Post Tour Extension

Rate: \$1,999.00 USD per person, double, land & air inclusive  
5 Meals: 3 Breakfasts, 1 Lunch, 1 Dinner

#### Day 12: Santiago - Easter Island

Fly to legendary Easter Island. "Isla de Pascua" or "Rapa Nui," as it is known in the local Polynesian language, is the most isolated inhabited island in the world. Steeped in lore and most famously home to the enigmatic Moai sculptures, this place is an archaeologist's dream. The Polynesian Rapanui people are believed to have arrived on the island in the 8th century. By the 19th century they had almost disappeared due to overpopulation and deforestation. Arrive at Hanga Roa, the only town on the island and home to fewer than 4,000 residents. Tonight, enjoy a Rapa Nui folklore show showcasing native dance, costumes and music. *Today dinner will be included.*

#### Day 13: Easter Island

This morning, visit the Rano Kao Volcano where you will discover a freshwater lake inside its deep crater. Continue to Orongo, at the base of the volcano, and learn about the Birdman Cult's unique ceremonies and rituals. See beautiful petroglyphs of the "birdman," a figure central in Rapa Nui art and beliefs. At Ana Kai Tangata, another sea-cliff cave, see magnificent carved petroglyphs of prehistoric birds. Continue to the ceremonial platform of Ahu Vinapu and admire its architectural perfection. After lunch at leisure, depart for Ahu Akivi, a platform composed of 7 Moai statues. These are the only Moai statues on the island that were positioned facing the sea. Continue to admire Ana Te Pahu, also known as the "Cave of the Bananas." The tour continues visiting the Puna Pau quarry where the Pukao were carved – Pukao are also known as the typical hairstyle or the hats of the Moai. Learn more about the making, building and transportation process of these colossal sculptures carved on volcanic rock before returning to your hotel for an evening at leisure. *Today breakfast will be included.*

#### Day 14: Easter Island

Depart this morning along the Moai route where these colossal sculptures are scattered all around the island. Visit several "Ahu" – or ceremonial platforms – surrounded by Moais that lay face down on the ground. Then, visit Ahu Akahanga where the first king of the island was buried. Continue on to Rano Raraku Volcano, located near the southern coast and at the feet of Poike, the most spectacular crater of the zone, where the ancient natives sculpted these stone giants. Visit Ahu Tongariki, the largest Moai platform in the island with its 15 Moais. The place was destroyed in May 1960 by a tsunami and it has been restored thanks mainly to Japanese foundations. Arrive at Ahu Te Pito Kura, an enormous spherical rock and the Moai Paro, the largest statue on the island. Cap off the

day with a visit to Anakena, one of the most beautiful beaches on the island. *Today breakfast and lunch will be included.*

#### **Day 15: Easter Island - Tour Ends**

Bid farewell to magical Easter Island. *Today breakfast will be included.*

## Buenos Aires

### Fiesta Gaucha & Asado Lunch

**\$190 USD**

Experience the arts, culture and open spaces of the Argentine pampas and the gauchos who made their homes and lives here! Begin your day with a journey across these flat, fertile plains that stretch from the Atlantic coast of Argentina to the Andean foothills. On the scenic drive, enjoy a hearty cup of maté – an herbal infusion of yerba maté. Similar in taste to some green teas, maté is a traditional South American beverage and sharing maté together is a strong social custom. Arrive at an expansive ranch called an Estancia – where you're greeted with a welcome drink and appetizers. Meet a real-life gaucho and experience an equestrian demonstration that displays the athletic prowess of these South American cowboys. Then, enjoy a hearty asado lunch – a typical Argentine barbeque, prepared over an open fire. Lunch is followed by a lively folkloric show, featuring live music, dancing and a tango demonstration that celebrates the independent spirit of the gaucho. The gauchos then showcase their horsemanship with cuadreras and ring races. For those who yearn to participate in the fun, saddle up for a ride on one of the ranch's gentle horses or take a ride around the ranch in one of the traditional two-wheeled carts called sulkies. Enjoy delicious home-made pastries, and reflect on your day of cultural fun. *Duration: Approximately 8 hours.* Please note a minimum of 10 passengers is required. Transportation is included.
